

COVID-19 Update

Bluffs Golf has been working diligently to monitor the COVID-19 pandemic and align the operations of the golf course with the recommendations of the public health orders that have been issued. We are dedicated to protecting the health and safety of both the public and our staff. In order to remain open, all customers must obey the following rules designed for everyone's protection.

GOLF CART RENTALS

- 1) We allow two riders per golf cart. Face coverings while riding in the golf cart are recommended and available in Pro Shop. Take turns getting clubs out of bags to maintain physical distancing.**
- 2) 2 carts are automatically reserved for each tee time of four golfers.**
- 3) There is a 3 cart maximum per foursome. **Any person in a foursome that is requesting to ride alone will be charged an additional \$12 fee (starting 10/1/20).****
- 4) If you wish to request a single rider cart, you must call in advance and the golf shop staff will let you know if we have one available for that tee time. If an extra cart is not available, we will try to find you another tee time that has an extra cart available.**
- 5) Golf carts will be disinfected after each use.**

We appreciate everyone's support in helping us with our golf cart availability. This practice will allow us to manage the golf cart inventory without bringing in additional units and adding cost to the green fees.

Thank You, Bluffs Management
